PROFESSIONAL SUMMARY

High-performing B2B Enterprise Sales professional with 7 months of proven experience at Finoscale, a Fintech SaaS startup in Bangalore. Joined as the founding Business Development hire with zero pipeline and built an enterprise client base from scratch — closing 17 accounts across chemicals, manufacturing, textiles, energy, agribusiness, and sustainability sectors. Conducted 80+ product demonstrations directly with CFOs and CEOs, delivered a 7x account upsell, and revived a cold prospect after 5 months through relationship management. Selected as the sole sales representative at a national industry expo alongside the CBO and CEO. PGDM in Marketing from NSB World Business School, HubSpot certified, and hands-on with Zoho CRM and Odoo CRM. Seeking a high-growth B2B Sales or Business Development role in a company that values performance and rewards results.

WORK EXPERIENCE

Business Development Executive | Finoscale — Fintech SaaS, *Nov 2025 – Present (7 Months)*
Bangalore

- **Founding BD hire** — designed and executed the entire enterprise outbound sales strategy from inception with no existing pipeline or playbook
- **17 enterprise clients closed** — spanning chemicals, manufacturing, textiles, energy, agribusiness, and sustainability sectors in 7 months as sole BD professional
- Key accounts: Murugappa Group, Godrej Agrovet, Shell India, Prasol Chemicals, DIC India, Emco Chemical, MTC Group, Anupham Fuels, Somu Group, Sri Saravana Mills, V.P Tex, CJS Speciality, Cabcon India, Nirmal Group, AMI Polymer, Recykal, Gavril Metal
- **80+ product demonstrations** — conducted directly with CFOs, CEOs, and senior finance decision-makers across enterprise accounts
- **7x account upsell** — grew a single client engagement from 20 to 144 company reports through disciplined consultative selling across multiple calls
- **5-month lead revival** — re-engaged a dormant prospect after 5 months of zero contact and successfully closed the deal through relationship management
- Sold credit intelligence and financial data solutions to large Indian manufacturers and industrial conglomerates
- **Sole expo representative** — selected as the only salesperson to attend a national chemical industry expo alongside the CBO and CEO
- Managed the complete sales lifecycle: prospecting, qualification, demonstration, negotiation, onboarding, and account development
- Operated Zoho CRM and Odoo CRM for pipeline visibility, activity tracking, lead management, and performance reporting
- Provided post-sale client support: helped clients understand data outputs, resolve queries, and maximise product value

Digital Marketing Intern | Karmactive

Jan 2025 – Mar 2025 (3 Months)

- Designed and executed content strategies that measurably improved engagement across digital platforms
- Enhanced SEO performance, increasing organic search visibility and keyword rankings

Quality Control Intern | Tamil Nadu Co-operative Milk Producers
Federation Ltd

May 2022 – Jul 2022 (3 Months)

- Applied quality testing methodologies to improve operational accuracy and process consistency

- Contributed to standardization frameworks and process documentation

WHY SALES IS MY STRENGTH

I thrive in complex, consultative B2B sales environments. Cold calling CFOs and CEOs, building trust from scratch, upselling accounts 7x, reviving dead leads after 5 months — this is where I come alive. I am seeking a B2B Sales or Business Development role in a company that rewards performance, values client relationships, and has a product worth selling.
